

Global Calling Card

Don't let travelling be a barrier to communication - use the Global Calling Card and you'll never be out of touch

The Global Calling Card is a telephone charge card service specifically designed for the frequent traveler

Benefits

- Save up to 85% on hotel phone charges *
 - Save up to 68% compared to mobile roaming charges**
 - Call world-wide using virtually any phone at reduced rates
 - One service for both voice calls and laptop connection
 - Convenient calling from your hotel without high rates
- Make cashless calls and be billed later
- Save time by speed-dialing your most frequently called numbers
 - Itemized bills make it easy to claim expenses and VAT

Plus, for companies we provide:

- Monthly management reports to help you track your employees telecommunications expenditure
- The option to have bills sent to individuals or to a central company administrator

*** Savings quoted are compared to UK hotel rates correct as of 1/02**

**** Savings quoted are compared to a major UK mobile operator correct as of 1/02**

Features

- Access from over 140 countries
- Customer Care centre available to help 24 hours a day, 365 days a year
- Unlimited follow-on call facility
- Operator call-back service for those countries without access numbers

How to use

Suzie is in New York for a meeting and she needs to call her office in Paris and her boyfriend in London

To use her Global Calling Card she would simply:

1. dial the freephone number for the USA
2. enter her account number and her chosen 4-digit PIN
3. enter the telephone number for the office in Paris
4. without hanging up she would call her boyfriend in the UK by pressing * # followed by his telephone number

Forget

- High rates charged by hotels for using their phone services
- The hassle of having to find the right change or phone cards for payphones
- The time spent searching through individual hotel bills to claim expenses
- Unpredictable mobile roaming charges
