

LAUNCHED TODAY! Free PrepayGEO+ 01/02/03 UK Numbers with VoIP (SIP)

Introducing our brand new PrepayGEO (Geographic UK Numbers) service with a difference. I know what thinking, just another **geographic number** supplier! Well actually No, we are not just another **geographic number** supplier! We have our own shared network, number ranges and development, which has enabled Open to build a product uniquely, putting our **customers first**.

Our customer number management **portal** is like no other, fully automated management with all of the following great features.

- No Contract, No Set-up Fee and No Line Rental
- Unlimited 01/02/03 geographic UK numbers
- Calls to UK landline or UK mobile from 3p per minute incl. VAT
- Call divert to multiple forwarding numbers (divert anywhere worldwide Terms apply)
- 24/7 Self-managed online customer portal
- Prepay top and real-time billing
- Manage all your numbers in one place
- **High** quality VoIP (SIP) Calls with competitive rates
- [VoIP \(SIP\) analog phone router](#), [VoIP \(SIP\) phone](#) and [Softphone](#) compatible
- Time of day routing plan
- Voice to email
- [Virtual switchboard \(IVR\) COMING SOON!](#)

We are that confident that you will like PrepayGEO, that we provide a [demo online!](#)

Try out the [demo number management beta portal version 1.0](#)

All existing **customers** are slowly being migrated to our new **portal** management system and all new orders from new **customers** are being setup straight away!

:: PORT YOUR NUMBER TO OUR NETWORK ::

We have good news for you, as you too can take advantage of PrepayGEO, by either [signing up](#) for a new geographic number, or we can simple port your existing numbers away from your current supplier and over to the Open network. Give us a call today!

We are confident that once you are using PrepayGEO you will never want to move your number any where else, as we are constantly upgrading and put our **customers first**. Open Telecom International Ltd has been in **business** since 2004-2015 and we are proud to say that the customer is the key point of our **business**. We have established a good reputation with our growing **customer base** of thousands of users Worldwide and hope you that you too will be the next to join the Open family and be able to enjoy all that we can give our customers!
